

After School Martial Arts Program (AMP) Overview and Schedule

Daily Program

Hours: 2:30 PM to 5:30 PM - Students must be signed out at our front desk when they are picked up.

Transportation: Children may be picked up at their school by our staff or driven to our program by their parents or caregivers.

Absences: Parents/caregivers must notify us *before noon* if the child is not in school that day.

Activities: Program includes homework time and one hour of martial arts training Monday – Thursday, with fitness games and other activities on Friday. Snacks will be provided.

Uniforms: Uniforms are required for classes and must be purchased for \$40.00 (new students only). T-shirts are an additional \$18, but not required. Uniforms will be left at the studio and will go home for cleaning each Thursday. Clean uniforms must be returned to the studio each Monday for the child to be able to participate in class. Belts will remain at the studio in the child's designated cubicle.

Belt Testing: All belt testing will follow our regular studio schedule & fees.

Special Scheduling

Holidays and Early Dismissal Days: Holiday weeks with only one day off from school are not discounted due to NO additional charge throughout the year for early dismissal days. Holiday weeks with more than one day off are discounted.

Teacher Work Days: Highlighted weeks (see schedule) require an additional \$25 for all day classes on Teacher Work Days. Children may be brought to the studio at 7:30 AM and picked up at their regular pick up time.

- Hours – 7:30 AM to 5:30 PM
- Children must bring a bag lunch
- Any field trips on these days may require an additional participation fee
- These days will include martial arts classes (2), arts & crafts, bully prevention training and/or safety training lessons, age appropriate science or math activities

Inclement Weather: If students are released from school early, we will transport students to the studio (weather permitting) and hold them for regular pick up unless otherwise directed by parent or guardian. If the child does not attend school during inclement weather, the studio must be notified before noon as with any other absence. If there is no school but roads are safe for normal driving conditions, students may attend as a full day camp with the parents transporting them to and from Twin Dragons (7:30 AM to 5:30 PM). There is no additional charge but parents must provide a bag lunch.

Deposit

A \$100 deposit and the first week tuition (\$165) are due by Friday, August 12th. Monthly payment option would also be due on August 12th plus the deposit fee. All consecutive payments must be made before the due date (see payment schedule below). The \$100 deposit may be returned at the end of the school year, put towards one of Twin Dragons Camps or used as the deposit for the following school year. If payment is not made by the due date, the deposit will be used to ensure that your child has afterschool care for one more week following the missed payment.

Registration and Payments

A signed and completed Registration/Release form must be completed for all participants.

Additional siblings may participate at a discounted rate.

Payments may be made weekly or monthly. There is a discount for monthly payments.

See payment schedule below. We accept Visa, Mastercard, debit cards, checks and cash.
