NOTICE OF INTENT TO PROMOTE

Parents and Teachers,

At **Twin Dragons Martial Arts & Fitness**, it is our main objective in the community to develop well-rounded students, in their school, at home and in our Karate school. We would appreciate your feedback on the following student. This form will not dictate if this student will or will not take their promotion test. Although this student has performed well in class and met all his training requirements in the studio, we value your opinion as their success coach at school and or at home.
